Coaches,

Thank you for attending Tiffin University Volleyball Team Camp! We look forward to watching your team play. Included you will find information for the three days of camp. We will have a website available for updates throughout camp that can be found on the volleyball athletics page under camps and clinics ([Link](#)).

Please remember that this is an informal team camp. We ask that you respect the officials and work teams. While this is an informal camp, please make sure that you are punctual to your court. We want to make sure that everything runs promptly and smoothly. There will be concessions available at each site. Please help to keep the camp sites clean so we can continue using these facilities in the future. We will also have Tiffin University Volleyball apparel for sale as well as team camp shirts if athletes or parents wish to purchase.

If there are any questions or concerns during camp do not hesitate to ask myself, Coach Brooke, or one of the Tiffin University Volleyball workers. My cell phone will be the easiest to reach me on during camp. (419-561-0115) Scores and repools will be updated throughout camp and can be seen on the website as well as posted in the Gillmor Student Center.

Again, thank you for attending Tiffin University Volleyball Team Camp. We wish you the best of luck throughout camp and as you move into your season!

Sincerely,

Shauna Hurles & The Tiffin University Volleyball Coaching Staff
